

Re: Art GCSE Intervention

Dear Parent/Carer,

Your son/daughter has been selected to attend the **compulsory** Art & Design GCSE intervention session running on Monday from 3.10-4.10pm. They have been selected as they are currently needing further support to achieve their target grade, and are currently working one grade below it.

The sessions will begin on **Monday 15th January** and will run initially for 4 weeks until the final session on **Monday 5th Feb.**

In order to secure your son's/daughter's target grade we will work with them during the course of the intervention program to ensure that their coursework mark (60% of their GCSE) is brought up to target grade. We will focus specifically on the work covering the 4 Assessment Objectives and we will also look at developing the written work to accompany your son's/daughter's projects.

The coursework will then be remarked once improvements have been completed and if the mark still falls below their target grade then we will offer more sessions to secure their achievement.

We want all of our students to achieve to the best of their ability, giving greater opportunity beyond Mark Hall and we are grateful for your support. If you have any queries regarding the Half Term Academy, or your son's/daughter's coursework, please do not hesitate to get in touch with us.

Kind Regards,

Ms Whittington
Art Department, Mark Hall Academy

Mr Abbott
