

Dear Parents / Carers

As you may already know, 22 September is 'Jeans for Genes Day'. The overall aim of this day is to raise awareness of the issues faced by those who live with, or care, for someone with a genetic condition. Our Academy is excited to be joining with many others around the UK to participate in this campaign to raise money to help half a million children in the UK who have life-altering genetic disorders.

Students are therefore being invited to make a donation of £1.00 to 'don their denim' and help make a difference to children's lives.

Students are reminded that clothing must be both suitable and appropriate for wear to and from the Academy, therefore ripped jeans and short denim shorts/skirts are **not allowed**. Girls should not wear low cut tops, short shorts or skirts that do not meet the Academy uniform requirement of being to the knee. Clothing should be modest and appropriate for a school environment.

Participation is optional and those who do not wish to wear denim will be required to attend the Academy in full school uniform.

This is where we need your help!

You can help us make this a memorable event that raises as much money as possible by supporting the fundraising activities in our Academy.

This is our first charity event of the new academic year – let's make it count!

Thank you for your continued support.

Yours sincerely

Ms J Craine
Head of History/RE/PSHE

Principal: Mrs C Franceschi BA (HONS), NPQH
