

Dear Parent/Carer

Re: Geography Revision class during half term

Date: Monday 23rd October 2017

As part of our World Class Curriculum and Geography enrichment, I am pleased to invite your son/daughter to attend our first Geography revision class during the half term break.

The aims of the revision class are to:

- Help give students the experience of how to best study and revise for their upcoming exams.
- Develop students' knowledge and understanding of the geographical content learnt last year and to pick up on any areas that require focus.
- Better prepare them for their mock exam after half term.

The session starts at 9am and will finish at 12pm the students would need collecting from the Academy by a parent or carer. We need the students to meet at the Academy in the West Hall at 9am.

Please complete the attached form and medical information and submit back to Mr. Jordan by the end of this week.

A student's participation in these study/revision sessions will be dependent upon a consistent record of good behaviour and an evident commitment to their learning in the classroom. The Academy reserves the right to refuse entry to/withdraw a student from a revision session if they do not meet this requirement.

If you have any further questions or concerns, please do not hesitate to contact me.

Yours faithfully

Mr Stockdale
