

Dear Parents / Guardians

Firstly, a huge THANK YOU! As a community we raised over £400 on 'Jeans for Genes Day'. This money will make a huge difference to the lives of children who are affected, directly or indirectly, by genetic illness.

As you may already know, 20 October is 'Wear it Pink Day'. The overall aim of this day is to raise awareness and money to support the ongoing research into cancer, with a particular focus on breast cancer. Our academy is excited to be joining with many other schools and businesses around the UK to participate in this campaign raising money to help beat cancer! **Students are therefore being invited to purchase and wear a pink ribbon** and help make a difference to the lives of cancer sufferers all over the UK.

We are not stopping there! As part of our fundraising for this great cause, we have staff participating in the 'MoonWalk 2018 – If you or your child would like to sponsor staff, please let me know. Together we can walk the walk and help vital breast cancer research.

This is where we need your help!

You can help us make this a memorable event that raises as much money as possible by supporting the fundraising activities in our academy.

This is our second charity event of the new academic year – let's make it count!

Thank you for your continued support.

Yours sincerely

Ms J Craine
