We would like to make you aware that the BTEC Business students will be taking their Finance exam on the 11th March 2019.

Revision guidance has been put on SMHW to support their preparations and it is imperative that students use the half term holiday to prepare for this exam as well as complete other outstanding coursework that has been set for them.

Please support your children by ensuring they take the time to complete this work as well as prepare for their exam as failure to pass these elements will have a significant impact on their overall Grade.
