Dear Parents/Carers

As you will see from the notices in this Bulletin we have had a busy term and there have been some exciting opportunities for our students. Next term we are all looking forward to the Academy Production of Little Shop of Horrors; the Year 11 Prom which follows the end of Year 11 exams; continuing fundraising for our new minibus as well as other opportunities for our students.

We want to say thank you to all our students, parents/carers and staff for everything that they bring to our community, especially our students. We also wish to thank the parents/carers who contribute a great deal, especially those who attend our Parent Council and the new Parent Teacher Association (PTA). These meetings provide great opportunities for parents/carers and staff to meet up, look at and discuss how we can help our academy community move forward and provide the best opportunities for our/your children.

We want to wish you all a lovely half term break and look forward to returning for our last term of this academic year.

## Student Safety

The Academy has been given a metal detector to help keep students and staff safe. This may be used to search students suspected of possession of banned items which contain metal.

This will only be used by staff in the event that a student is suspected of carrying such an item. The metal detector is in the form of a wand which is passed over the fully clothed student.

If the student is wearing anything metal or carrying something untoward the wand will bleep and a light will come on. Normal search procedures will apply – students will be asked to empty pockets and it will be crucial to find the source of the metal. The Academy does not anticipate that it will have to use the metal detector very often and parents/carers as well as students can be assured that it will only be used:

- a) for demonstration purposes,
- b) where there is genuine concern or suspicion that a student is carrying a banned item or weapon.

## Parental Concerns

I would like to take this opportunity to remind parents and carers that should you have any concerns or matters that you wish to discuss with the Academy, that you contact your child's Home Group Tutor or Guidance Manager in the first instance. If you feel that your child's Home Group Tutor or Guidance Manager are unable to help you, please contact your Key Stage Coordinator (Head of Year). Of course, if you feel that you still need support, please do contact either Mrs Hazle or Mrs Butler. Any issues which cannot be resolved by the Co-Principals will be escalated and between us we will endeavour to respond to your concerns as soon as possible.

Key Stage 3 Coordinator—Mrs L Brown (Years 10 & 11)  
Key Stage 4 Coordinator—Mr C Kemp (Years 7, 8, 9)  
Guidance Manager Year 7—Miss M Warwick  
Guidance Manager Year 8—Mrs J Hawkins  
Guidance Manager Year 9—Mrs S Maragh-MacPherson  
Guidance Manager Years 10 & 11—Mrs L Hunt

## Library Books

Please can you check to see if your child has a library book as many are now overdue, and have been for some time. If so, please return them as soon as possible to the library. If the book has been damaged or cannot be found then a payment for the cost of a replacement is required, alternatively a replacement copy in good condition is also acceptable.

## Options Years 10 and 9

Miss Moore has taken on options for both year groups. Most of the current Year 10 have finished their one-year option with the second Sociology exam today. The Cambridge Sport students and Statistics students are finishing up next half term. When completed the students are completing a unit on understanding finances using resources called "Your Money Matter" written by the financial education charity Young Money with guidance from MoneySavingExpert.com founder Martin Lewis.

In terms of deciding on their next course Year 10 have completed a student survey today with the official offer going home the first week following the half term.

Year 9 will receive the options booklet by Friday 7<sup>th</sup> June 2019. Feedback from Parent Council was that it would be useful to have the booklet before the options evening. The options evening will be on Tuesday 11<sup>th</sup> June in the West Hall from 5pm to 6pm so please add that date to your diary.

## Stand up to cancer

Home group 7-2 decided to make this their charity. Freddie Jones approached his fellow students with the idea of a cake sale to raise funds for charity. Freddie like many of the home group has watched friends and family battle with different types of cancer. The whole home group feel passionate about raising funds, we have had our first cake sale this week to raise money. The students planned it, baked and decorated some amazing cakes and produced posters. They have already raised over £90 from this event. They are determined to continue fund raising, so watch this space for updates. We are very proud of them!

# MARK HALL ACADEMY

Dear Students and Parents,

The Mark Hall Academy PTA is delighted to announce our first fundraiser for the Academy's new minibus. ExL Young Driver Centre has very kindly donated 5 vouchers (one per year group) for a one hour driving lesson at their off-road track in Edinburgh Way.

**All students are able to receive a driving lesson.**

These vouchers will be raffled at £5 per ticket and the draw will be open to all year groups attending Mark Hall Academy and the lucky winners will be announced during the last week of assemblies of this academic year. The winners' names will also be posted on the bulletin and website.

The lesson will be tailored to students' own skill level and may include approaching junctions, roundabouts, gear changes and manoeuvres. Don't worry if your son/daughter is not very tall: the instructor can help with the pedals. You can find out more on Facebook: EXL Young Driver Centre.

If you would like the chance for your son/daughter to win one of these vouchers, please complete and return the form below to Mrs Butler. **The deadline for slips to be returned will be the 28<sup>th</sup> June 2019.**

Please do not send any money at this stage. Once we have received your completed form, one of the PTA members will contact you by email with payment details and a reference number to be quoted on your bank transfer. When payment is received your name will be entered into the draw.

We hope that you are as excited about this amazing opportunity as we are. If this raffle works well and is popular, we and ExL hope to make it an on-going, termly event.

This is a fantastic way to launch our PTA and the minibus fund.

If you would like to join the MHA PTA, please tick the box on the form below.

Good luck!

## Your child's chance to learn to DJ

Dear parent/guardian,

DJ-ing has become part of your child's school music curriculum. We're excited to be offering lessons through our FutureDJs study programme which is taught in schools all over the country.

Now that exam boards have recognised DJ decks as an instrument, DJ skills can be a part of Music GCSE too.

We have limited spaces for students. So if you'd like to enrol your child, do let us know soon.

**How it works and what it costs**  
Weekly 15/30-minute lessons happen at school and in school time, like usual music lessons. They're available as solo sessions, or for pairs of students. The cost is £22 for a 30-minute solo session, and £12 for each student in a pair [the paired option can be allocated as a 15-minute solo session].

FutureDJs' course consists of thirty modules spread over three stages: Debut, Breakthrough and Artist. Our website can tell you much more about us. Want to take the next step? [Fill in this online form.](#)

## Handling the pressure of external exams

Information for parents and carers

### Did you know?

Exam stress can be really challenging, not only for children but for those that live with them. Research shows that having someone to talk to about their work can help. Support from a parent, teacher or friend can help young people share their worries and keep things in perspective.

Survey research has identified that exams are a significant source of stress and worry for pupils in secondary school. In particular, failing important examinations, and the consequences of failing these examinations, are rated as more important than a range of other personal and social worries. (Optimus education)

The NHS highlight that Children and young people who experience stress may:

- worry a lot
- feel tense
- get lots of headaches and stomach pains
- not sleep well
- be irritable
- lose interest in food, or eat more than normal
- not enjoy activities they previously enjoyed
- seem negative and low in their mood
- seem hopeless about the future

### What can you do?

Watch out for signs of stress and encourage your child to talk to a member of school staff or someone who they feel is supportive. If you feel your child isn't coping, it may also be helpful for you to talk to their teachers at school.

Encourage and support your child to build and maintain healthy habits before and during the exam period, such as eating a healthy balanced diet, staying hydrated, getting enough sleep, doing exercise, having time to relax and to socialise with friends.

Remind your child that feeling nervous and anxious is

normal. Support them to be organised, have a routine and build a revision timetable. Try not to add to their pressure by being flexible with them. Talk to them about how they feel, remind them of their goals in life and motivate them to stay focused. Staying calm will help them remain calm - and exams don't last forever.

## Meteor Club

Monday to Friday in the LRC  
3.10pm to 5.20pm

An opportunity for all year groups to get their homework done with support and resources to help.

Free activity of the week is offered once homework is complete, so you can get creative and socialise with students that are not normally in your friendship groups.

Friday - week 2, a film will be shown for you to relax with at the end of the week if you so wish, of course there is still the option to complete homework. Friday – week 1, is the opportunity to write reviews of the films watched to earn rewards scaled to the number of reviews written. Full details of which are displayed in the club.

## FISHING at Mark Hall Academy

Mark Hall Academy students recently embarked on a fishing course with our Changing Lives mentors. The course was a part of an outdoor learning initiative to encourage new skills in team work, leadership and fishing techniques

They went through a step-by-step process that taught skills needed to competently carry out fishing in a safe environment.

**HEALTH AND SAFETY...** The group established a number of safeguarding rules to ensure the safety of the group throughout any practical activity. For example, *don't stand too close to the water ...*

**LEARNT HOW TO FISH ...** We watched a number of educational videos to see what techniques we could use and would be right for us. The group also practised casting, rigging rods, completing challenges and races against other teams in casting.

**Planning ...** our next objective was to design equipment and activity checklist to ensure we would be prepared for the event. Listed here are a number of factors we accounted for; transport, clothing, food, kit, safety measures. We encountered a variety of learning skills for the planning which included posters, videos, practical, and challenges.

### **FISHING ACTIVITY AT TIMBERLANDS FISHERY**

09:00am, The team travelled by a mini bus, in our organised groups

09:30am, Safety briefing, induction, and additional kit tutorials led by Timberlands staff

10:00am, Fishing Competition begins for the day!

14:00am, Rains begins to fall and final whistle is blown ... plenty of fish caught, SUCCESS!

14:30am, Travel back to school for review and awards ceremony

### **WINNERS OF THE MHA FISHING COMPETITION 2019 - HARRY P, GEORGE N, JAMES H**

**“Brayden Davies; At Mark Hall I went on a fishing trip with Rob Green and coach Ben at Timberlands Lakes. The trip inspired me to go back and try to catch a fish called a sturgeon and I caught a 40lb fish. The owner gave me 100 pound as a reward.”**

# MARK HALL ACADEMY

A GREAT BIG THANK YOU TO ALL PARENTS/CARERS AND STUDENTS  
FOR ARRIVING ON TIME TO THE ACADEMY!  
THIS IS A GREAT START TO YOUR CHILD'S BUSY DAY AHEAD!

THE ARRANGEMENTS FOR ARRIVING AT THE ACADEMY POSTED IN LAST WEEK'S BULLETIN HAVE  
BEEN A GREAT SUCCESS!

I would just like to mention that we are aware when there are problems with buses and traffic and allowances are made for these occurrences. Also, thank you to all parents/carers who have called in to say their child may be late for a particular reason.

---

## ATTENDANCE & PUNCTUALITY

### STUDENTS ARRIVING TO THE ACADEMY

Just a reminder that all students must enter the Academy via the London Road entrance by **08:40am**.

Students arriving by car must be dropped off in the Sports Centre car park.

Students must not be dropped off by car at the main school entrance except for known arrangements already agreed by the Academy.

### STUDENTS ARRIVING LATE TO THE ACADEMY

We expect all students to be punctual. If your child is late they must still enter the Academy via the London Road entrance **up to 08:55am** where a member of staff will take their name and a C3 detention may be issued. Late arrivals by car should also be dropped off in the Sports Centre car park. They should then walk to the London Road entrance.

**Arrivals after 08:55am** – Students should enter via the Main Academy with a written/ phone message reason for being late from a parent/carer.

*Students who persistently arrive late to the Academy will be referred to our  
Attendance Consultants.*

### REPORTING THE ABSENCE OF YOUR CHILD

To inform us that your child will be absent we ask that you telephone the school on **01279 866280** and press **Option 4** for the absence line/Attendance Officer. For safeguarding reasons we ask that you report your child absent at the start of the school day, preferably by **08:00am**.

*For safeguarding reasons, we check any unreported absences daily and you will receive a text or email from the Attendance Officer if you have not telephoned the student absence line.*

### MEDICAL APPOINTMENTS

If your child has a medical/dental appointment, please inform the Attendance Officer via the absence line prior to the appointment.

### ATTENDANCE MONITORING

All student's attendance is monitored every week. Should we have any concerns, you will be contacted by our **Attendance Consultants** who may invite you in for a meeting. The Academy has issued a number of penalty fines this year for irregular attendance and holidays in term time so we cannot stress enough how important it is for your child to attend well. We want your child to achieve and attendance is an extremely important factor. Government Research has shown that where attendance levels fall below 95% a student's academic performance and achievement is badly affected.

Thanking you all in anticipation of your support.  
Regards

Mrs P Lane

## E.C.S Pupil Attendance Services Ltd ADVICE LINE FOR PARENTS

Launching on 10<sup>th</sup> June 2019 at Mark Hall Academy

**Do you feel like your child doesn't listen?**

**Are you worried about your child's behaviour?**

**Is this affecting your child's attendance at school?**

**Would you like to know more about how absences can impact on your child's learning?**

**Does your child have problems arriving at school on time?**

We understand that parents/carers can sometimes want or need extra help or information. Parents often say that this helps them to be calm and confident, and in our experience, parents' value and benefit greatly from the opportunity to talk things through.

**We are here for you!**

Asking for help on parenting skills or just confirming that you are doing the right thing, does not make someone a bad parent.

Would you like free impartial/non-judgmental advice?

If you feel you would like to talk to us about any of the above or perhaps something else, we are happy to listen and offer advice.

**Please contact us on 01279 866 280 ext. 221 on any of the following dates.**

**Monday 10<sup>th</sup> June 2019** between 2.00pm and 3.00pm  
**Monday 17<sup>th</sup> June 2019** between 2.00pm and 3.00pm
