Dear Parents/Carers

As you will see from the notices in this Bulletin we have had a busy first week back, especially for Year 11 who have faced a challenging week of exams with true grit.

Over the next two weeks, remaining exams for both Year 11 and 10 will be complete. Please do continue to encourage and support them in their studies and revision, and attendance at revision/intervention sessions.

We would like to take this opportunity to welcome back to the academy Ms Hunter in Science and a warm welcome to Ms Terrey who joins us in PE, also Mrs Manners who is our new EAL Coordinator.

Next week, we look forward to meeting Year 9 parents and students at our Options Evening. Please do make sure that you have a chance to look at the booklets in advance with your children (copies are on the website).

Upcoming events to look forward to this term are the Academy Production of Little Shop of Horrors; the Year 11 Prom which follows the end of Year 11 exams; Year 6 transition day and continuing fundraising for our new minibus as well as other opportunities for our students.

## Message to Parents/Carers

### School Uniform

*We pride ourselves on our expectations for students and this includes their appearance. Therefore, as an academy we are reinforcing our expectations of skirt length. It is vital for the safety and well-being of our female students, that skirt lengths are appropriate and are worn to length of just on or above the knee, stated on p9 of the student planner; “Our uniform is strict, smart and business like.”*

*To ensure that our students are responsible for their skirt length we are now as an academy running a “3 chance” ruling. If a HG tutor has to ask a student to roll down their skirt, as it does not meet our expectation of smart and business like, being just on or above the knee, on 3 occasions then parents/carers will be contacted by the pastoral team and the student will be required to attend the academy in trousers only for the remainder of the term.*

*We are sure that you will support us in this, and in not only reinforcing our expectations, but in also safeguarding the well-being of our female students.*

*We appreciate your support in this.*

*Ms Whittington*

*Assistant Principal, Personal Development, Behaviour & Welfare*

## Applications for New Governors for Mark Hall Academy

**Mark Hall Academy is seeking community governors for 2019-20.**

An exciting opportunity has arisen for committed local individuals to become governors at Mark Hall Academy, a long-established and well-respected secondary school at the heart of Harlow in Essex.

Mark Hall Academy opened in September 2013. It is proud to be part of the Academy Transformation Trust (ATT) and is supported both centrally and regionally by ATT staff. We are an 11-16 school and our pupil numbers are rising, with 93 students in year 11 and 187 in year 7, and a total of 702 students currently. We are able to take up to 210 new pupils each year and we expect to be oversubscribed in year 7 in 2019. We are undergoing an extensive new build opening in October 2019. The new school building, along with the Mark Hall Sports Centre, will provide us with state of the art facilities.

Our catchment and socio-economic profile is as follows:

- 11.2% of pupils have English as an Additional Language
- 10.9% of pupils have a Special Educational Need
- 0.8% of pupils have an Education Health and Care Plan
- 29.5% of pupils receive funding for Free School Meals

We have pupils from 16 out of 17 possible ethnic groups, and total pupil number have risen from 574 in 2017 to 720 now.

Strong local governance is absolutely critical to our future, and so you will be joining us at a most important time. Your role will be to challenge and support in equal measure, and to bring your own professional or community expertise to bear in enriching the experience of and opportunities for our pupils.

You can find more details about the role in the following document, but we strongly urge you to apply as we know you will find this a fulfilling role.

The role of governor is unpaid, although reasonable travel expenses will of course be covered. You will need to attend six meetings a year (usually 6pm at the Academy) and it would also help if you are able to spend additional time in the school supporting myself and our dedicated staff to do a great job.

We look forward to receiving your application. The application forms are on our website.

Manjit Hazle and Victoria Butler  
Co-Principals (Acting)

### **About Mark Hall Academy**

Our motto is 'Aspire, Endeavour, Achieve'. We expect all our students and staff to have high aspirations for themselves and for each other. We expect students and staff to have the courage to work exceptionally hard, such that in time we can celebrate and share great achievements together. As an academy we will equip all our students with the skills, attributes and qualifications to progress to college, university, employment and happy, successful lives. Education has the power to open doors and transform lives and that is what we aim to do here.

The Academy is part of the Academy Transformation Trust (ATT) who are a leading multi academy trust committed to transforming the learning opportunities and aspirations for its students and the communities in which they live. ATT believes that by embracing the 7 'Nolan Principles' of public service of public life (Selflessness, Integrity, Objectivity, Accountability, Openness, Honesty and Leadership) that we can transform lives. We are committed to playing our part in giving young people the education and opportunities they need to succeed in a changing world.

Dear Students and Parents,

The Mark Hall Academy PTA is delighted to announce our first fundraiser for the Academy's new minibus. ExL Young Driver Centre has very kindly donated 5 vouchers (one per year group) for a one hour driving lesson at their off-road track in Edinburgh Way.

**All students are able to receive a driving lesson.**

These vouchers will be raffled at £5 per ticket and the draw will be open to all year groups attending Mark Hall Academy and the lucky winners will be announced during the last week of assemblies of this academic year. The winners' names will also be posted on the bulletin and website.

The lesson will be tailored to students' own skill level and may include approaching junctions, roundabouts, gear changes and manoeuvres. Don't worry if your son/daughter is not very tall: the instructor can help with the pedals. You can find out more on Facebook: EXL Young Driver Centre.

If you would like the chance for your son/daughter to win one of these vouchers, please complete and return the form below to Mrs Butler. **The deadline for slips to be returned will be the 28<sup>th</sup> June 2019.**

Please do not send any money at this stage. Once we have received your completed form, one of the PTA members will contact you by email with payment details and a reference number to be quoted on your bank transfer. When payment is received your name will be entered into the draw.

We hope that you are as excited about this amazing opportunity as we are. If this raffle works well and is popular, we and ExL hope to make it an on-going, termly event.

This is a fantastic way to launch our PTA and the minibus fund.

If you would like to join the MHA PTA, please tick the box on the form below.

Good luck!

## Old School Uniform

Dear Parents/Carers, especially those of Year 11 students. The members of Mark Hall's PTA would be very grateful if you would kindly consider donating your child's old school uniform after they have grown out of it or in the case of Year 11 left Mark Hall Academy. The PTA will be setting up a second-hand uniform stall for our forthcoming Year 7 students. The school uniform can be left at Reception.

Thank you.

## Handling the pressure of external exams

Information for parents and carers

### Did you know?

Exam stress can be really challenging, not only for children but for those that live with them. Research shows that having someone to talk to about their work can help. Support from a parent, teacher or friend can help young people share their worries and keep things in perspective.

Survey research has identified that exams are a significant source of stress and worry for pupils in secondary school. In particular, failing important examinations, and the consequences of failing these examinations, are rated as more important than a range of other personal and social worries. (Optimus education)

The NHS highlight that Children and young people who experience stress may:

- worry a lot
- feel tense
- get lots of headaches and stomach pains
- not sleep well
- be irritable
- lose interest in food, or eat more than normal
- not enjoy activities they previously enjoyed
- seem negative and low in their mood
- seem hopeless about the future

### What can you do?

Watch out for signs of stress and encourage your child to talk to a member of school staff or someone who they feel is supportive. If you feel your child isn't coping, it may also be helpful for you to talk to their teachers at school.

Encourage and support your child to build and maintain healthy habits before and during the exam period, such as eating a healthy balanced diet, staying hydrated, getting enough sleep, doing exercise, having time to relax and to socialise with friends.

Remind your child that feeling nervous and anxious is

normal. Support them to be organised, have a routine and build a revision timetable. Try not to add to their pressure by being flexible with them. Talk to them about how they feel, remind them of their goals in life and motivate them to stay focused. Staying calm will help them remain calm - and exams don't last forever.

## Meteor Club

Monday to Friday in the LRC  
3.10pm to 5.20pm

An opportunity for all year groups to get their homework done with support and resources to help.

Free activity of the week is offered once homework is complete, so you can get creative and socialise with students that are not normally in your friendship groups.

Friday - week 2, a film will be shown for you to relax with at the end of the week if you so wish, of course there is still the option to complete homework. Friday – week 1, is the opportunity to write reviews of the films watched to earn rewards scaled to the number of reviews written. Full details of which are displayed in the club.

# MARK HALL ACADEMY

A GREAT BIG THANK YOU TO ALL PARENTS/CARERS AND STUDENTS  
FOR ARRIVING ON TIME TO THE ACADEMY!  
THIS IS A GREAT START TO YOUR CHILD'S BUSY DAY AHEAD!

THE ARRANGEMENTS FOR ARRIVING AT THE ACADEMY POSTED IN LAST WEEK'S BULLETIN HAVE  
BEEN A GREAT SUCCESS!

I would just like to mention that we are aware when there are problems with buses and traffic and allowances are made for these occurrences. Also, thank you to all parents/carers who have called in to say their child may be late for a particular reason.

---

## ATTENDANCE & PUNCTUALITY

### STUDENTS ARRIVING TO THE ACADEMY

Just a reminder that all students must enter the Academy via the London Road entrance by **08:40am**.

Students arriving by car must be dropped off in the Sports Centre car park.

Students must not be dropped off by car at the main school entrance except for known arrangements already agreed by the Academy.

### STUDENTS ARRIVING LATE TO THE ACADEMY

We expect all students to be punctual. If your child is late they must still enter the Academy via the London Road entrance **up to 08:55am** where a member of staff will take their name and a C3 detention may be issued. Late arrivals by car should also be dropped off in the Sports Centre car park. They should then walk to the London Road entrance.

**Arrivals after 08:55am** – Students should enter via the Main Academy with a written/ phone message reason for being late from a parent/carer.

*Students who persistently arrive late to the Academy will be referred to our  
Attendance Consultants.*

### REPORTING THE ABSENCE OF YOUR CHILD

To inform us that your child will be absent we ask that you telephone the school on **01279 866280** and press **Option 4** for the absence line/Attendance Officer. For safeguarding reasons we ask that you report your child absent at the start of the school day, preferably by **08:00am**.

*For safeguarding reasons, we check any unreported absences daily and you will receive a text or email from the Attendance Officer if you have not telephoned the student absence line.*

### MEDICAL APPOINTMENTS

If your child has a medical/dental appointment, please inform the Attendance Officer via the absence line prior to the appointment.

### ATTENDANCE MONITORING

All student's attendance is monitored every week. Should we have any concerns, you will be contacted by our **Attendance Consultants** who may invite you in for a meeting. The Academy has issued a number of penalty fines this year for irregular attendance and holidays in term time so we cannot stress enough how important it is for your child to attend well. We want your child to achieve and attendance is an extremely important factor. Government Research has shown that where attendance levels fall below 95% a student's academic performance and achievement is badly affected.

Thanking you all in anticipation of your support.  
Regards

Mrs P Lane  
Attendance Officer

## E.C.S Pupil Attendance Services Ltd ADVICE LINE FOR PARENTS

Launching on 10<sup>th</sup> June 2019 at Mark Hall Academy

**Do you feel like your child doesn't listen?  
Are you worried about your child's behaviour?  
Is this affecting your child's attendance at school?  
Would you like to know more about how absences can impact on your child's learning?  
Does your child have problems arriving at school on time?**

We understand that parents/carers can sometimes want or need extra help or information. Parents often say that this helps them to be calm and confident, and in our experience, parents' value and benefit greatly from the opportunity to talk things through.

**We are here for you!**

Asking for help on parenting skills or just confirming that you are doing the right thing, does not make someone a bad parent. Would you like free impartial/non-judgmental advice?

If you feel you would like to talk to us about any of the above or perhaps something else, we are happy to listen and offer advice.

**Please contact us on 01279 866 280 ext. 221 on any of the following dates.**

**Monday 10<sup>th</sup> June 2019** between 2.00pm and 3.00pm

## Article for Discussion/Debate Ban phones in schools, says minister Nick Gibb

**Pupils should be banned from taking smartphones into school, the minister for school standards in England has told the BBC.**

Nick Gibb spoke out ahead of the government publishing new guidance for schools, expected to address internet safety, social media and online gaming.

It is expected to say children should be taught to limit the amount of time they spend online. Schools have the power to ban phones from being taken on to the premises. But government policy is that it is the responsibility of head teachers to determine whether this is appropriate.

Patsy Kane, executive head teacher at the Education and Leadership Trust in Manchester, said Mr Gibb's plan was "missing the point on just how fantastically useful mobile phones can be for learning." She told BBC Breakfast her multi-academy trust encourages the responsible use of smartphones during lessons and that teachers do remove the devices if they are used inappropriately during school time.

She added: "There's a fantastic range of apps now for revision - and the students are really motivated to use them."

**Should phones be allowed in schools?  
Ofsted chief inspector backs phones ban  
Schools 'should have consistent policy on phones'  
French MPs back mobile phone ban in schools**

The trade union that represents head teachers has expressed its scepticism about outright bans. But Mr Gibb said: "Many schools have already taken the decision to ban mobile phones from the classroom.

"While this is clearly a matter for the head teacher, my own view is that schools should ban their pupils from bringing smartphones into school or the classroom."

Katie Ivens, of the Campaign for Real Education, said she supported a classroom ban but that pupils should be allowed to carry phones to and from school for safety.

What is known as "relationships education" is to become compulsory from September 2020, with schools being encouraged to teach it from September of this year.

### 'Balancing time'

Last summer, the government **published draft guidance** about how this could be implemented.

"Children and young people are growing up in an increasingly complex world and living their lives seamlessly on and offline," it said.

But it acknowledged that while this presented "many positive and exciting opportunities" there were also "challenges and risks".

Since the publication of the document, which said "pupils should be taught about the benefits of balancing time spent on and offline", there have been more than 11,000 responses to it and new guidance is expected soon.

"Children should not be spending hours and hours on their smartphones or iPads. There are obviously huge benefits to the internet and there's nothing intrinsically damaging about spending time online," Mr Gibb said.

"But if the time children spend using social media or playing computer games becomes excessive, it drives out time for them to talk to their parents, exercise, do their homework or play with friends.

"It eats into the amount of sleep and rest children have, resulting in their coming into school the next day tired and unable to concentrate."

The minister, who has spent more than six years at the Department for Education, added: "Ensuring children can regulate their own use of smartphones and social media is becoming an increasingly important life skill for them to learn."

But the NAHT union, which represents school leaders, has said banning pupils from taking a mobile phone to school can be counterproductive.

Giving evidence to the Commons Science and Technology Committee in October last year, the union's senior policy adviser Sarah Hannafin said: "Mobile phone bans certainly work for some schools but there isn't one policy that will work for all schools.

"Outright banning mobile phones can cause more problems than it solves, driving phone use 'underground' and making problems less visible and obvious for schools to tackle."

She added: "Ultimately, schools work to prepare young people for the outside world, giving them the awareness and strategies to responsibly monitor their own screen use and the ability to identify and deal with any negative impacts or problematic content they encounter."
